O R D E R

**ORIGINAL**

The People of the State of California, on relation of the Department of Public Works, are authorized to construct State Highway Route 5 (Road IV-Ala-5-E) at separated grades over the track of The Western Pacific Railroad Company near Redmond, Alameda Co., at the location as shown by map (Exhibit A) attached to the application, to be identified as Crossing No. 4-58.9-A. Applicant shall bear construction and maintenance expense. Applicant shall file with the Commission within one hundred and twenty days: (1) a copy of an agreement entered into between the parties relative to the construction and maintenance of said crossing, and (2) plans of said crossing approved by The Western Pacific Railroad Company. Clearances shall conform to the provisions of G.O.26-C. During construction only, side clearances of eight feet, and overhead clearances of twenty-one feet may be maintained, provided train speeds do not exceed twenty miles per hour and train crews are notified by bulletin or train order of said impaired clearances.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within two years (unless time be extended) or if conditions are not complied with. This order shall be effective immediately.
