BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

Application No. 21251

BY THE COMMISSION:

ORIGINAL

OPINION AND ORDER

On June 10, 1937, Puritan Ice Company, a corporation, filed its application in the above entitled proceeding for authority to discontinue its cold storage werehouse operation at Santa Barbara.

Applicant states its werehouse containing approximately 43,692 cubic feet of cold storage space is utilized for public storage on an average of only 8.7 per cent of capacity and that a deficit of \$3,601.75 was incurred during the year 1936. It attributes the loss of patronage to the close proximity of Los Angeles markets and werehouses, which with fast daily truck service to Santa Barbara has encouraged daily buying from said markets. Moreover, applicant's lessor, Mission Ice Company, contemplates the removal of all cold storage facilities and equipment.

Applicant asserts public convenience and necessity does not demand the further maintenance of this service and that customers have not protested its discontinuance but have arranged for storage

We are of the opinion that this is a matter in which a formal hearing is not necessary and that the application should be granted; therefore

IT IS HEREBY ORDERED that Puritan Ice Company, a corporation, be and it is hereby authorized to cancel the rates, rules and regulations shown in Cold Storage Warehouse Tariff No. 2, C.R.C. No. 2, and supplements thereto, applicable at Santa Barbara and upon such cancellation to discontinue its cold storage warehouse operation as a public utility at that city.

Dated at San Francisco, California, this 70 to day of September, 1937.
