BY THE COMMISSION:

ORIGINAL

ORDER OF REVOCATION

WHEREAS, by Decision No. 28165, dated August 12, 1935, on Application No. 20063, George Mehm was authorized by the Commission to acquire from Richard C. Winchell an operating right for the automotive common carrier transportation of passengers between Tustin and Santa Ana; and

WHEREAS, by Decision No. 28609, dated March 2, 1936, on Application No. 20395, George Mehm was authorized to temporarily discontinue, until September 1, 1936, all of his aforementioned common carrier service for the transportation of passengers; and

WHEREAS, upon the expiration of said suspension period George Mehm failed to advise of resumption of service as ordered; and

WHEREAS, after undue delay and failure to respond to correspondence in connection therewith, George Mehm did finally, under date of July 20, 1937, advise the Commission in writing that "Service was not resumed on September 1, 1936, or any time since then to date"; and

It appearing that George Mehm's course of action has constituted an abandonment of his operating right, we believe that an order revoking his certificate of public convenience and necessity should ensue.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that George Mehm having failed, after due notice, to resume his automotive common carrier passenger service between Tustin and Santa Ana as directed, his operating right therefor is declared to have been abandoned and all time schedules and tariffs thereunder be and they are hereby cancelled.

IT IS HEREBY FURTHER ORDERED that Decision No. 28165, dated August 12, 1935, on Application No. 20063, is hereby revoked and annulled.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 20th day of September 1937.
