

Decision No. 28034

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
THE SAN JOAQUIN & KINGS RIVER CANAL
& IRRIGATION COMPANY, INCORPORATED,
a corporation, to exclude certain
lands from its service area that
have not received irrigation water
within a period of five years last
past, and to extend service to lands
of an equivalent acreage outside of
its service area.

Application No. 20280

ORIGINAL

BY THE COMMISSION:

FOURTH SUPPLEMENTAL ORDER

Request having been made by Peter R. Hansen that a parcel of land owned by him and located in Section 26/10/10, M.D.B.&M., comprising approximately twelve (12) acres, be included within the service area of The San Joaquin & Kings River Canal & Irrigation Company, Incorporated, a corporation, and that said land be entitled to irrigation service from the company's canals on the same basis as other lands admitted to service as set out in the Commission's Decision No. 29501, dated February 1, 1937, an investigation having been made in the matter, it being found that said land should be included within the company's service area and entitled to irrigation service, and written consent therefor having been obtained from the company, now, therefore,

IT IS HEREBY ORDERED that the parcel of land owned by Peter R. Hansen in Section 26/10/10, M.D.B.&M., and containing twelve (12) acres, more or less, be and it is hereby included

within the service area of The San Joaquin & Kings River Canal & Irrigation Company, Incorporated, a corporation, and said land shall be entitled to irrigation service from the company's canals on the same basis as those lands admitted to service as set out in the Commission's Decision No. 29501, dated February 1, 1937.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 14th day of February, 1938.
