

Decision No. 30627

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

-oOo-

CITY OF FRESNO, a municipal corporation,

Petitioner,

vs.

SAN JOAQUIN LIGHT AND POWER CORPORATION, a corporation,

Defendant.

Case No. 3682

ORIGINAL

BY THE COMMISSION:

ORDER OF DISMISSAL

The complaint in the above matter was filed September 11, 1933, and a hearing was had before former Commissioner Harris on January 23, 1934. It does not definitely appear that the City submitted the matter upon the evidence then introduced. Our examination of the record leads us to the conclusion that should the City desire to proceed further, it would be best to do so by a new complaint which could be heard before one of the present Commissioners. Accordingly, an order of dismissal of the above case will be entered.

Good cause appearing, IT IS ORDERED by the Railroad Commission of the State of California that the complaint above-entitled be and it is hereby dismissed.

Dated, San Francisco, California, this 14th day of ^{February}~~September~~, 1938.
