

Decision No. 30658.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of SOUTHERN
PACIFIC COMPANY for an order authorizing it to
change its Class "D" non-agency station of
Carnadero, County of Santa Clara, State of
California, to a Class "E" Station.

Application No. 21771.

BY THE COMMISSION:

O R D E R

It appears from the above application that no freight business has been transacted at applicant's non-agency station of Carnadero, Santa Clara County, for more than two years, and that its continued maintenance as a freight station is no longer necessary.

Good cause appearing, Southern Pacific Company is authorized to change the non-agency station of Carnadero, Santa Clara County, from a Class D to a Class E station (freight will not be handled), and to amend its tariffs and time tables applying to said station. Within thirty days after this change has been effected, applicant shall so notify the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended.

This order shall be effective immediately.

Dated, San Francisco, California, February 28, 1938.
