ORIGINAL

O P I N I O N

By this application A. C. Foss and F. H. Foss, a copartnership, seeks authority to discontinue and abandon all their common carrier service for the transportation of milk and cream between ranches located in the vicinity of San Leandro, San Lorenzo, Mt. Eden, Alvarado, Centerville, Irvington, Newark, Mission San Jose, Niles, Decoto and Hayward to creameries in Oakland and Berkeley, and between Mission San Jose and San Jose via Milpitas. The operating rights proposed to be abandoned were created by Decision No. 11188, dated October 31, 1932, on Application No. 8325, Decision No. 16743, dated May 17, 1926, on Application No. 11230 and Decision No. 27697, dated January 26, 1935, on Application No. 19566.

In justification for the authority sought herein, applicants allege that during the past several months the creameries in the territory served by applicants have either discontinued business entirely or have provided their own transportation, and as a result thereof, all of this business has been lost to applicants.

In view of the circumstances, this appears to be a matter in which a public hearing is not necessary. The application will be granted.
