O R D E R

Pacific Electric Railway Company is authorized to construct a spur track at grade across Daisy Avenue at Cowles Street in Long Beach, Los Angeles County, at the location described in the application, to be identified as a portion of Crossing No. 6LA-19.81. Applicant shall bear entire construction and maintenance expense. Construction shall be equal or superior to Standard No. 2 of G.O. 72, without super-elevation and of a width to conform to the portion of the street now graded, with tops of rails flush with the roadway and with grades of approach not exceeding two per cent. Protection shall be by existing Standard No. 1 crossing sign (G.O. 75-A).

Within thirty days after completion, pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year (unless time be extended), or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require. This order shall be effective immediately.

Dated at San Francisco, 30<sup>th</sup> day of June, 1938.
