BY THE COMMISSION:

O P I N I O N

By this application Pacific Greyhound Lines, a passenger
stage corporation, seeks authority to change its route within the
city of Davis.

Applicant alleges as justification for the authority

route through the city of Davis, eliminate traffic hazards, and it
has the approval of the Chief of Police of the City of Davis, as
expressed in his letter of June 30, 1938, a copy, marked Exhibit A,
is attached to the application herein and made a part thereof.

The proposed route sought to be amended was created by

This appears to be a matter in which a public hearing is
not necessary. The application will be granted.
