SECOND SUPPLEMENTAL ORDER

Applicant, due to change in trackage plan, requests, by amended application, that Decision No. 31093, dated July 7, 1938, be annulled and that authority be granted to install two spur tracks in and along Vallejo Street and across Battery Street in San Francisco, at the location shown in said amended application.

Good cause appearing, IT IS HEREBY ORDERED that Decision No. 31093 is revoked and of no further force and effect.

IT IS HEREBY FURTHER ORDERED THAT Southern Pacific Company is authorized to construct two spur tracks at grade along Vallejo Street and across Battery Street in San Francisco at the location described in the amended application to be operated over by State Belt Railroad. Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year (unless time be extended), or if above conditions are not complied with.
