

Decision No. 31434

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application
of G. K. BRINKMAN to discontinue
operation of a portion of an
automobile service as a common
carrier between Los Angeles, Calif-
ornia and points in Los Angeles
and San Bernardino Counties.

Application No. 22233

ORIGINAL

BY THE COMMISSION:

OPINION AND ORDER

G. K. Brinkman, applicant herein, was authorized by the Commission's Decision No. 24746 dated May 2, 1932 on Application No. 18049 to acquire an operative right created by Decision No. 22428 dated May 13, 1930 on Application No. 16174 for the transportation of milk, cream, dairy products, dairy supplies, hay and feed between Los Angeles and various southern California points.

By this application it is sought to abandon the transportation of dairy supplies, hay and feed, and to continue the transportation of milk and cream.

As justification for the authority sought, applicant alleges in effect that it had not received any requests for the transportation of dairy supplies, hay and feed between points in the territory it is authorized to serve. Applicant further alleges that the Commission has in numerous proceedings prescribed rates, rules and regulations governing the transportation of hay, feed and dairy supplies, and that the continual amendments to applicant's tariffs necessitate a large expense to applicant, despite the fact that such commodities are not being transported.

This does not appear to be a matter in which a public hearing is necessary, and the authority sought will be granted.

Therefore, good cause appearing,

IT IS ORDERED that G. K. Brinkman is hereby authorized to discontinue and abandon the transportation of dairy supplies, hay and feed between the termini and intermediate points and over the routes as set forth in Decision No. 22428 dated May 13, 1930 on Application No. 16174.

IT IS FURTHER ORDERED that the operative right created by Decision No. 22428 for the transportation of dairy supplies, hay and feed is hereby revoked and annulled.

The authority hereby granted is subject to the following condition:

1. Applicant shall within thirty (30) days from the effective date hereof issue and file in triplicate with the Commission a tariff or a supplement to its current tariffs eliminating all rates for the transportation of the commodities for which it is herein authorized to discontinue service.

The effective date of this order shall be twenty (20) days from the date hereof.

Dated at San Francisco, California this 5th day of November, 1938.
