

Decision No. 31492

RECEIVED
NOV 21 1938

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of SOUTHERN)
PACIFIC COMPANY for an Order authorizing it to)
(a) change its Class "A" non-agency station of) Application
Vanden, County of Solano, State of California,) No. 22330
to a Class "E" non-agency station, and (b) to)
abandon and remove a spur track approximately)
900 feet in length located at said station.)

O R D E R

In this application Southern Pacific Company requests permission to (a) change its Class "A" non-agency station of Vanden, County of Solano, to a Class "E" non-agency station, and (b) to abandon and remove a spur track approximately 900 feet in length located at said station.

It appears from the above application that no passenger or freight business has been transacted at applicant's station of Vanden for more than two years and that continued maintenance thereof is not necessary.

Good Cause Appearing, Southern Pacific Company is authorized to change its Class "A" non-agency station of Vanden, County of Solano, to a Class "E" non-agency station; to abandon and remove a spur track approximately 900 feet in length located at said station; and to cancel all freight tariffs applying at said station on not less than one day's notice to the Commission and the public. Within thirty days thereafter, applicant shall so notify the Commission in writing.

This authorization shall become void if not exercised within one year, unless time be extended.

This order shall be effective immediately.

Dated, San Francisco, California, November 21, 1938.
