

Decision No. 31739

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

ORIGINAL

In the Matter of the Application of)
TANNER MOTOR TOURS, LTD., a corpora-)
tion, for a certificate of public)
convenience and necessity to operate) Application No. 22162
sightseeing bus services from Los)
Angeles, California to Lake Arrowhead,)
and return.)

BY THE COMMISSION:

O P I N I O N and O R D E R

By this application Tanner Motor Tours, Ltd., seeks authority to defer the establishment and operation of its sightseeing service as authorized by Decision No. 31596, dated December 27, 1938, on Application No. 22162, between Los Angeles and Lake Arrowhead, and between Riverside and Lake Arrowhead, until June 1, 1939.

As justification for the authority sought, applicant alleges that since accepting the certificate and filing the tariffs hotel accommodations cannot be given because Arrowhead Lodge and Village Inn were destroyed by fire and it will be necessary for them to be rebuilt before the public can be accommodated.

In view of the foregoing allegations this appears to be a matter in which a public hearing is not necessary. The application will be granted ex parte.

IT IS HEREBY ORDERED that Tanner Motor Tours, Ltd. is hereby authorized to defer the establishment of service hereinbefore referred to until June 1, 1939, provided that applicant shall immediately prepare, in triplicate, and file with the Commission a supplement to its tariff and time schedule giving effect to the authority herein granted.

The effective date of this order is the date hereof.

Dated at Los Angeles, California, this 6th day of
February, 1939.
