

Decision No. 181703

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of Key System )  
and Sacramento Northern Railway to enter into ) Application No. 22577  
an agreement respecting trackage rights. )

BY THE COMMISSION:

O R D E R

ORIGINAL

In this proceeding Key System and Sacramento Northern Railway seek authority to enter into an agreement, a copy of which is attached to and made a part of the application, whereby Key System will grant to Sacramento Northern Railway, for a period ending December 31, 1939, the right to operate passenger trains over said Key System line extending to the so-called Key System Pier in Oakland, for the transportation of passengers.

Sacramento Northern Railway, by operating its passenger trains over lines of Key System to Key System Pier, will be enabled to conveniently connect with ferry service of Key System to Treasure Island, thus affording a more direct, efficient, and expeditious method of travel to its patrons desiring to visit the Exposition.

It appears that this is not a matter in which a public hearing is necessary and that the request should be granted, therefore

IT IS HEREBY ORDERED that Key System and Sacramento Northern Railway are authorized to enter into an agreement substantially in conformity with the copy of proposed agreement attached to the application as Exhibit "A" respecting the trackage rights of each other, a certified copy of which shall be filed with the Commission within not to exceed twenty (20) days from the date hereof, subject to the following conditions:

- (1) The authority herein granted shall lapse and become void on December 31, 1939, unless further time is granted by subsequent order.
- (2) The authority herein granted to each of the applicants in this proceeding shall not be taken as in any way controlling the Commission's future action in any proceeding involving the rates charged or service rendered by either of said applicants.

The authority herein granted shall become effective on the

date hereof.

Dated at San Francisco, California, this 15<sup>th</sup> day of  
February, 1939.
