BY THE COMMISSION:

SECOND SUPPLEMENTAL ORDER

Applicant herein requested in writing that the route of motor coach service authorized in the order in Decision No. 29865, as amended by Decision No. 29939, be further amended in order to better serve the territory involved. Applicant alleges that railroad grade crossing at the intersection of California Street and county road (Norris Road) has been improved and can be used by applicant as a more direct route into Bakersfield.

It appears that this is not a matter in which a public hearing is necessary and that the request should be granted, therefore

IT IS HEREBY ORDERED that the description of the motor coach service authorized in Decision No. 29865 and amended in Decision No. 29939, is hereby further amended to read as follows:

"Commencing at the intersection of Chester Avenue and 19th Street in the City of Bakersfield; thence northerly along Chester Avenue to City Limits at 34th Street; thence continuing along Chester Avenue in the County of Kern to Roberts Lane; thence westerly along Roberts Lane to Oildale Drive; thence northerly along Oildale Drive to County Road (Norris Road); thence easterly along Norris Road to Hurrle Avenue; thence northerly along Hurrle Avenue to Richland Drive (Highland Drive); thence easterly along Richland Drive to Howard Avenue; thence southerly along Howard Avenue to county road (Norris Road); thence southerly along California Street (a continuation of Howard Avenue) to Lincoln Avenue; thence easterly along Lincoln Avenue to Chester Avenue; thence southerly along Chester Avenue to point of beginning."

In all other respects Decisions Nos. 29865 and 29939 shall remain in full force and effect.

This order shall become effective immediately.
