

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

Decision No. 31812

In the Matter of the Application of RICE TRANSPORTATION COMPANY, a corporation, and INTERNATIONAL EXPRESS, Inc., a corporation, Sellers and COAST TRUCK LINE, a corporation Purchaser, for an order of the Railroad Commission of the State of California, authorizing the sellers to sell and transfer to the purchaser the operating rights, property and businesses described in this application.

Application No. 19587

BY THE COMMISSION:

FIRST SUPPLEMENTAL ORDER

The Commission by Decision No. 27366, dated March 17, 1934, authorized the Rice Transportation Company to transfer, on or before December 31, 1934, all of its assets to Coast Truck Line now Southern California Freight Lines. One of the assets of the Rice Transportation Company consisted of the

"Southerly rectangular one-half of the Southerly rectangular one-half of Block 58 of the Town of Santa Ana East, City of Santa Ana, County of Orange, State of California, as shown on a Map recorded in Book 10, pages 43 and 44 of Miscellaneous Records of Los Angeles County, California."

In the supplemental petition filed in the above entitled matter, on February 15th, it is reported that the Rice Transportation Company executed a deed to said real estate on or before December 31, 1934, but did not have said deed acknowledged before a Notary so as to entitle it to be recorded. The said deed was acknowledged on October 6, 1938. In order to remove any doubt as to the validity of the title of said real estate, Southern California Freight Lines, formerly known as Coast Truck Line, asks the Commission to ratify the execution of said deed. The Commission has considered the request of applicants and is of the opinion that this is not a matter in which a hearing is necessary and that it should authorize the execution of

a deed of Rice Transportation Company to Southern California Freight Lines of the property herein above described, therefore,

IT IS HEREBY ORDERED, that Rice Transportation Company be, and it is hereby, authorized to execute a deed to convey the aforementioned properties to the Southern California Freight Lines.

DATED at San Francisco, California this 16th day of March, 1939.
