PANY for an order authorizing the construction at)
grade of a lead or switching track, across Richmond) Application
Street, in the City of Los Angeles, County of Los) No. 22640.
Angeles, State of California.)

BY THE COMMISSION:

O R D E R

Southern Pacific Company is authorized to construct a lead or switching track at grade across Richmond Street in Los Angeles, Los Angeles County, at the location described in the application, to be identified as Crossing No. B-485.38-C. Applicant shall bear the entire construction and maintenance expense. Construction shall be equal or superior to Standard No. 2 of G.O. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with roadway and with grades of approach not exceeding 3 per cent.

Applicant shall, within one hundred and eighty (180) days, submit a certified copy of a franchise or permit from the City of Los Angeles, for the construction of said crossing at grade, and in the event that this is not done, the authorization herein granted for the installation of said crossing shall then lapse and become void, unless further time is granted by subsequent order.

Within thirty days after completion, pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require. This order shall be effective immediately.

Dated at San Francisco, April 4, 1939.
