

Decision No. 32147

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Amended
Supplemental Application of
CALIFORNIA MILK TRANSPORT, INC.
to issue stock.

ORIGINAL

Application No. 19161

BY THE COMMISSION:

FIRST SUPPLEMENTAL ORDER

California Milk Transport, Inc. having asked permission to issue to L. C. Clifton, at \$150.00 per share, 26 shares of its no par value common stock and use the proceeds to pay the balance due on the purchase price of trucks and trailers, the Commission having considered applicant's request, and it being of the opinion that this is not a matter on which a hearing is necessary; that the money, property or labor to be procured or paid for by such issue is reasonably required for the purpose specified in this order; that the expenditures for such purpose are not in whole or in part reasonably chargeable to operating expenses or to income, and that applicant's request should be granted, therefore,

IT IS HEREBY ORDERED that California Milk Transport, Inc. be, and it is hereby, authorized to issue and sell, on or before October 1, 1939, to L. C. Clifton at \$150 per share, 26 shares of its common capital stock without par value and use the proceeds to make payment on the balance, \$3,930.65, due on the purchase price of two truck trailers and two motor trucks.

IT IS HEREBY FURTHER ORDERED that within thirty(30) days after the issue of the stock, or any part thereof, California Milk Transport, Inc. shall file a statement showing the number of shares

of stock issued, the cash received for said shares, and the purpose for which the cash was expended.

DATED at San Francisco, California, this 30th day of June, 1939.

Raymond
Frank
H. K.
Justus
Commissioners.
