

Decision No. 32369

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
A.B.C. Transportation Co. for authority
to discontinue its service between El
Monte and North-East El Monte, and
between El Monte and South-East El Monte

Supplemental
Application
No. 22071

BY THE COMMISSION:

ORIGINAL

SUPPLEMENTAL OPINION

By Decision No. 31276, dated September 19, 1938, in Application No. 22071, the Commission granted a certificate to L. Solter and S. McCoy, doing business as A.B.C. Transportation Co. for the establishment of an automotive service for the transportation of passengers between El Monte and northeast El Monte and between El Monte and southeast El Monte.

In this supplemental application authority is sought to discontinue and abandon the service authorized by said Decision No. 31276.

As justification for such authority it is alleged that the operations established by applicants have not only failed to render a profit but have been operated at such a loss that applicants' equipment has been repossessed.

In support of applicants' request the Mayor of El Monte and the President of the El Monte Chamber of Commerce have stated, in writing, that various plans for subsidizing the operation have failed and it is recommended that applicants be permitted to abandon the operation.

This does not appear to be a matter in which a public hearing is necessary and the authority requested will be granted.

SUPPLEMENTAL ORDER

IT IS ORDERED that L. Solter and S. McCoy are hereby authorized to discontinue and abandon the automotive transportation of passengers between El Monte and northeast El Monte and between El Monte and southeast El Monte as heretofore authorized by Decision No. 31276, which decision is hereby revoked and annulled.

IT IS FURTHER ORDERED that all tariffs and time schedules of applicants, now on file with the Commission and in effect, governing the service hereby authorized to be abandoned, are hereby cancelled.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 6th day of September, 1939.
