BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application)
of F. TESKEY for authority to)
charge less than the minimum rates) Application No. 22283
established by Decision No. 30600)
as amended.)

BY THE COMMISSION:

FIRST SUPPLEMENTAL OPINION AND ORDER

By Decision No. 31379 of October 20, 1938 in the above entitled application, F. Teskey, operating as a highway contract carrier and city carrier was authorized to transport paper, paper articles and related commodities for various shippers in the Los Angeles drayage area at lesser charges than those accruing under the minimum rates established in and by Decision No. 30600, as amended in Case No. 4121. This authority will expire October 20, 1939. By supplemental application this carrier now seeks an extension of the authority, alleging that the conditions existing at the time the original application was granted continue to exist at the present time without material change. The supplemental application also alleges that applicant will change its name from F. Teskey, an individual, to Frank Teskey, Mabel M. Teskey and Merlyn F. Teskey, doing business as Teskey Transportation Company, a partnership, effective October 20, 1939. Applicant asks that the extension of authority here sought be granted to Teskey Transportation Company.

It appears from the application that an extension of the authority heretofore granted is justified and that such an extension may be authorized without the necessity of a formal hearing. However, the matter of readjusting the minimum rates for the transportation

involved is now receiving the Commission's consideration in Case No. 4121 and the extension of the authority will be limited, therefore, to December 31, 1939. In view of the intended change in ownership the extended authority will be granted to the successors in interest of the original applicant in this proceeding. Therefore, good cause appearing,

IT IS HEREBY ORDERED that Frank Teskey, Mabel M. Teskey and Merlyn F. Teskey, doing business as Teskey Transportation Company, be and they are hereby authorized to assess and collect for the transportation for which rates are provided in Appendix "A" to Decision No. 31379, in this proceeding, rates less than the minimum rates heretofore established by the Commission but not less than those provided in said appendix.

The authority herein granted shall expire December 31, 1939, unless sooner changed, cancelled or extended by appropriate order of the Commission.

This order shall become effective October 20, 1939.

Dated at San Francisco, California, this 17th day of October, 1939.

Commissioners.
