BY THE COMMISSION:

SUPPLEMENTAL OPINION

In this application Pacific Electric Railway Company, a corporation, requests permission to abandon an operative right for the transportation of passengers, baggage and express between Riverside, San Jacinto, Hemet and intermediate points.

The operative right involved was acquired by applicant from Motor Transit Company, effective September 1, 1939, under the authority of the Commission's Decision No. 32167, dated July 18, 1939, on Application No. 22582.

Prior to the aforesaid transfer the operative right involved was leased by Motor Transit Company, effective August 24, 1939, to P. C. Cross, under the authority of the Commission's Decision No. 32222, dated August 1, 1939.

Concurrently with the filing of this application P. C. Cross has filed an application (No. 23028) for a certificate of public convenience and necessity to continue the service between

the same points involved herein which he is now providing under the lease arrangement hereinbefore referred to. As a consequence, by the granting of the application of P. C. Cross, the public will continue to receive the same service as is now being provided.

In view of these circumstances the application herein appears to be in the public interest and will be granted. No public hearing is necessary.

SUPPLEMENTAL ORDER

IT IS ORDERED that the operative right to provide service as a passenger stage corporation between Riverside, San Jacinto, Hemet and intermediate points, heretofore acquired by applicant by virtue of the authority conferred by Decision No. 32167, dated July 18, 1939, on Application No. 22582, is hereby revoked and annulled.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 17<sup>th</sup> day of October, 1939.
