

Decision No. 32594

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of PACIFIC GREYHOUND LINES, INC., a corporation, for a certificate of public convenience and necessity for an automotive stage service for the transportation of passengers, baggage and express between Bakersfield and Barstow and to consolidate same with remainder of applicant's system.

ORIGINAL

Supplemental Application No. 20237

-----  
In the Matter of the (Supplemental) Application of PACIFIC GREYHOUND LINES, a corporation, to have vacated the order granting it a certificate to operate between Bakersfield and Barstow.

BY THE COMMISSION:

ORDER OF REVOCATION

By Decision No. 30790, dated April 18, 1938, on the original application herein, the Commission authorized Pacific Greyhound Lines to establish an automotive service for the transportation of passengers and baggage between Bakersfield and Barstow and intermediate points.

Applicant now requests an order of the Commission vacating its order in said Decision No. 30790 wherein applicant was authorized to establish and operate said service between Bakersfield and Barstow and intermediate points.

As justification for the order sought applicant alleges substantially as follows, that:

By a series of orders issued by the Commission the time within which applicant should comply with the conditions thereof was, from time to time, extended at applicant's request.

The request herein is on the ground and for the reason that the existing service between Bakersfield and Barstow serves a sparsely settled territory and is presently sufficient.

Applicant believes and alleges that in granting the relief herein sought the convenience and necessity of the public will not be adversely affected.

This is not a matter requiring a public hearing and we are of the opinion that the order sought is in the public interest and it will be issued.

Therefore, good cause appearing,

IT IS ORDERED that the operative right heretofore granted to Pacific Greyhound Lines by Decision No. 30790, authorizing the establishment and operation of a passenger stage service between Bakersfield and Barstow and intermediate points, is hereby revoked and annulled, subject to the condition that any tariffs heretofore filed in compliance with said Decision No. 30790, showing fares, rates, rules and regulations between Bakersfield and Barstow and intermediate points, shall be cancelled within thirty (30) days from the effective date hereof, on not less than five (5) days' notice to the Commission and the public.

The effective date of this order shall be the date hereof.

Dated at Los Angeles, California, this 28<sup>th</sup> day of November, 1939.
