San Francisco, State of California. )

ORIGINAL

O R D E R

Southern Pacific Company is authorized to construct a spur track at grade across Empire Lane and Newhall Street in San Francisco, at the location described in the application.

This order is made upon the express condition that said streets are not now actually constructed and open to travel at the points of crossing and this order shall not be deemed an authorization for the construction of an opening of said streets to public use across said spur track. Said track shall be so constructed that grades of approach not exceeding four (4) per cent will be feasible in the event the construction of an opening of these streets across said track shall hereafter be authorized and so that said grade crossing may be made safe for the passage thereover of vehicles and other road traffic.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require. This order shall be effective immediately.
