

Decision No. 3712

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation on the Commission's own motion into the rates, charges, contracts, rules, regulations, classifications, operations, practices, services, or any of them of GREAT WESTERN POWER COMPANY OF CALIFORNIA and WESTERN CANAL COMPANY in the distribution and sale of water in the counties of Butte, Glenn, Sutter and Colusa, State of California.

ORIGINAL

Case No. 3712.

BY THE COMMISSION:

SIXTH SUPPLEMENTAL ORDER

Western Canal Company having requested approval of the Railroad Commission to refile and continue in effect for the 1940 irrigation season only the 1934 interim rates and rules and regulations filed in connection with the Commission's Preliminary Opinion and Order No. 26907, dated March 27, 1934, and good cause appearing,

IT IS HEREBY ORDERED that Western Canal Company shall file with this Commission, within ten (10) days from the date of this Order, the schedule of rates and the rules and regulations filed in connection with the Order of the Commission in its Decision No. 26907, said rates to become effective as of the date of this Order and to continue in effect for the 1940 irrigation season only.

Dated at Los Angeles, California, this 26th day of March, 1940.
