T. J. REYNOLDS and L. T. RICE,  
for Applicant.

WAKEFIELD, COMMISSIONER:

Southern California Gas Company applies for authority to exercise a gas franchise granted by the City of Huntington Park, County of Los Angeles.

A public hearing upon the application has been held.

Such franchise is one authorized by the Franchise Act of 1937 and is in lieu of certain asserted franchises under which applicant for many years has rendered gas service within the City of Huntington Park.

It is clear from the evidence that present and future convenience and necessity require that applicant exercise the franchise granted to it by said Ordinance No. 935 in order that it may continue to furnish gas to the inhabitants of the City of Huntington Park.

ORDER

IT IS HEREBY ORDERED that a certificate of public convenience and necessity be and hereby is granted to Southern

California Gas Company to exercise the right or privilege under that certain franchise granted by the City of Huntington Park by Ordinance No. 935, subject to the condition, however, that no claim of value for such franchise or the authority hereby granted in excess of the actual cost thereof shall ever be made by the grantee before this Commission or before any court or public body.

This order shall be effective immediately.

The foregoing opinion and order are hereby approved and filed as the opinion and order of the Railroad Commission of the State of California.

Dated at San Francisco, California, this 2<sup>nd</sup> day of April, 1940.
