BY THE COMMISSION:

SECOND SUPPLEMENTAL OPINION AND ORDER

By Decision No. 30776 of April 11, 1938, as amended, in this proceeding, South End Warehouse Company, a corporation operating public warehouses in the City and County of San Francisco for the storage of general merchandise, was authorized to suspend operations at Vallejo Warehouse No. 2, located at 734-750 Battery Street, and Vallejo Warehouse No. 3, located at 119 Broadway, until April 11, 1940. By supplemental application filed April 2, 1940, extension of this authority to April 11, 1941, is sought. It is alleged that present storage facilities adequately accommodate applicant's patrons and that under present conditions resumption of operations is not warranted.

It appears that this is a matter in which a public hearing is not necessary and that supplemental application should be granted. Therefore, good cause appearing,

IT IS HEREBY ORDERED that the authority granted by Decision No. 30776 of April 11, 1938, as amended, in the above entitled application, be and it is hereby extended to April 11, 1941, provided California Warehouse Tariff Bureau's Warehouse Tariffs C.R.C.

Nos. 83 and 98, of L. A. Bailey, Agent, be supplemented immediately to show that South End Warehouse Company's warehouse operations have been further suspended as authorized herein.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 9<sup>th</sup> day of April, 1940.
