Decision No. 3320.2

EEFOWE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of SOUTHERN CALIFORNIA EDISON COMPANY LTD., a corporation, for Certificate that Public Convenience and Necessity requires that it exercise the rights and privileges granted it under Franchise Ordinances No. 81509 and No. 82129 of the CITY OF LOS ANCEIES to construct, install, operate and maintain electrical and telephone circuits, together with necessary appurtenances thereto, on certain streets and public places in the CITY OF LOS ANCELES, COUNTY OF LOS AN

Southern California Edison Company, Itd. applies for authority to exercise electric franchises granted by the City of Los Angeles, Los Angeles County. A public hearing upon the application has been held. Such franchises are for a period of twenty-one years each, and permit the Southern California Edison Company, Itd. to construct, install, operate and maintain electrical and telephone circuits, together with necessary appurtenences thereto, on certain designated streets and public places in the City of Los Angeles.

Applicant for many years has operated such electrical equipment within the City of Los Angeles and it is evident that the requested authority should be given.

ORDER

IT IS HEREBY OPDERED that a certificate of public convenience and necessity be and hereby is granted to Southern California Edison Company, Ltd. to exercise the rights and privileges granted by the City of Los Angeles by Ordinance No. 81509 of July 19, 1939, and Ordinance No. 82129 of December 27, 1939, subject to the condition, however, that no claim of value for such franchises or the authority hereby granted in excess of the actual cost thereof shall ever be made by the grantee before this Commission or before any court or other public body.

Dated at San Francisco, California, this // day of

Commissioners.
