

Decision No. 32477.

ORIGINAL

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the application of PACIFIC GAS AND ELECTRIC COMPANY, a corporation, for an order of the Railroad Commission of the State of California, granting to applicant a certificate of public convenience and necessity to construct, operate and maintain, in portions of the Counties of Tehama, Glenn and Colusa, the electric lines and facilities herein described; authorizing the construction and installation of said electric lines in accordance with so-called substandard construction; and approving the establishment of a special rate area embracing the territory in which said electric lines are to be located.

Application No. 22527

BY THE COMMISSION:

THIRD SUPPLEMENTAL ORDER

Condition (1), on page 9 of Decision No. 31907, having been amended by Decision No. 32477 as follows:

- "(1) That Pacific Gas and Electric Company shall file with the Railroad Commission, on or before June 30, 1940, a statement showing by accounts, under the Uniform System of Accounts prescribed by the Commission, the cost of acquiring and constructing the electric distribution system herein authorized."

Good cause appearing, the above statement is hereby amended to read as follows:

- (1) That Pacific Gas and Electric Company shall file with the Railroad Commission, on or before August 15, 1940, a statement showing by accounts, under the Uniform System of Accounts prescribed by the Commission, the cost of acquiring and constructing the electric distribution system herein authorized.

In all other respects Decision No. 31907, as amended by Decision No. 32100, shall remain in full force and effect.

This Third Supplemental Order shall be effective immediately.

Dated at San Francisco, California, this 9th day of July, 1940.
