the provisions of the Highway Carriers' )  
Act. )

BY THE COMMISSION:

FOURTH SUPPLEMENTAL OPINION AND ORDER

ORIGINAL

By Decision No. 30767 of April 11, 1938, as amended, in the above entitled application, J.P. Spaenhower, a highway contract carrier, was authorized to transport property from Stockton and Tracy to specified destinations in central California for Western States Grocery Company and Safeway Stores, Inc. at rates less than the established minimum rates. This authority will expire August 7, 1940. By supplemental application filed July 12, 1940, continuance of the authority for a period of one year is sought. It is alleged that the conditions shown in support of the original and prior supplemental applications continue to exist to the same extent and in the same degree and manner; that the need for relief is as great now as at the time previous authority was granted; and that no new conditions have arisen which make unnecessary a continuance of that authority.

It appears that this is not a matter in which a public hearing is necessary and that the supplemental application should be granted. Therefore, good cause appearing,

IT IS HEREBY ORDERED that the expiration date of the authority granted by Decision No. 30767 of April 11, 1938, as amended, in the above entitled application, be and it is hereby extended to

August 7, 1941, unless sooner cancelled, changed or extended by appropriate order of the Commission.

This order shall become effective August 6, 1940.

Dated at San Francisco, California, this 30<sup>th</sup>  
day of July, 1940.
