In this matter the applicant Ben F. Snider seeks a certificate of public convenience and necessity authorizing the establishment of a motor vehicle service for the transportation of passengers, freight and express, as a common carrier between Auburn and Placerville and intermediate points, including Kelsey, Garden Valley, Georgetown, Greenwood and Cool.

The granting of this application was protested by Southern Pacific Company and by J. L. Graves, doing business as Mother Lode Lines, the applicant in a companion proceeding (Application No. 23305) which was set for hearing at the same time. United Motor Transport Lines, Inc. and El Dorado Motor Transportation Company appeared as interested parties.

When the matter was called for hearing before Examiner Austin, at Placerville, on July 19, 1940, applicant, at the outset, requested that the matter be postponed or taken off the calendar, and he offered no evidence in support of his proposal. Ultimately, however, he requested that the proceeding be dismissed. Such will be the order.
