ORIGINAL

Application No. 23569

R. W. DuVal, Attorney, for Applicant

BY THE COMMISSION:

Pacific Gas and Electric Company has applied for authority to exercise rights and privileges pertaining to electric service expressed in a franchise granted it by the City of Placerville, El Dorado County. This franchise is one authorized by the Franchise Act of 1937 and is in lieu of an asserted franchise under which applicant or its predecessors in interest have rendered electric service continuously in that city for many years.

A public hearing on this application has been held and it is evident that the requested authority should be given.

ORDER

IT IS HEREBY FOUND AS A FACT that public convenience and necessity require and will require the exercise by Pacific Gas and Electric Company of the rights and privileges granted it by the City of Placerville, El Dorado County, under its Ordinance No. 669 adopted May 16,

1939, and, therefore, a certificate of public convenience and necessity to exercise said rights and privileges is hereby made and granted to Pacific Gas and Electric Company, subject to the condition, however, that it, its successors, or assigns will never claim before this Commission or any court or other public body, a value for that franchise or for the authority hereby granted in excess of the actual cost thereof.

This Order shall be effective immediately.
