Application
 No. 23845

BY THE COMMISSION:

ORIGINAL

ORDER

The Western Pacific Railroad Company is authorized to construct a spur track at grade across a portion of Lindsay Street in Stockton, San Joaquin County, at the location described in the application, to be identified as Crossing No. 4-101.94-C. Applicant shall bear entire construction and maintenance expense. Construction shall be equal or superior to Standard No. 2 of G. O. No. 72, without super-elevation and of a width to conform to the portion of the street now graded, with tops of rails flush with roadway, and with grades of approach not exceeding two per cent. Protection shall be by one Standard No. 1 crossing sign. (G. O. No. 75-B).

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require. This order shall be effective immediately.

Dated at San Francisco, California, December 10, 1940.
