**ORIGINAL**  
Application  
No. 23873

BY THE COMMISSION:

O R D E R

The Atchison, Topeka and Santa Fe Railway Company, a corporation, has filed with the Commission the above-numbered application seeking authorization for the removal of the interlocking plant and signals in the vicinity of Edison Street, in the City of Stockton, San Joaquin County, California, coincident with the placing in service of applicant's new wye tracks and removal of old rail crossing.

It appears to the Commission that this is not a matter in which a public hearing is necessary and that the application should be granted, therefore

IT IS HEREBY ORDERED that authority be and it is hereby granted applicant, The Atchison, Topeka and Santa Fe Railway Company, a corporation, to abandon the use of the interlocking plant, known as "Stockton Wye Crossing," located in the vicinity of Edison Street, in the City of Stockton, County of San Joaquin, State of California, coincident with the removal of rail crossing.

This authorization shall become void if not exercised within one year. The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 21<sup>st</sup> day of  
December, 1940.
