Application No. 23882

BY THE COMMISSION:

O R D E R

The Atchison, Topeka and Santa Fe Railway Company has requested authority to make changes in crossing protection at four grade crossings with its lines in the State of California. It appears that this is a matter in which a public hearing is not necessary and that the proposed changes in protection are in the public interest, therefore

IT IS HEREBY ORDERED that The Atchison, Topeka and Santa Fe Railway Company is hereby authorized to make changes in crossing protection as follows:

Crossing No. 2-1001.9, Palm Avenue, Fresno - Install two flashing lights, Standard No. 8 signals (G.O. No. 75-B), in place of the existing Standard No. 1 crossing sign.

Crossing No. 2K-6.5, Solano Avenue, Albany - Install two flashing light signals, Standard No. 7 (G.O. No. 75-B), in place of the existing wigwag and standard crossing sign.

Crossing No. 2-1057.7, Cox Ferry Road, Merced - Install two flashing light signals, Standard No. 8 (G.O. No. 75-B), in place of one Standard No. 1 crossing sign.

Crossing No. 2-128.3, Santa Anita Avenue, Lamanda Park - Install two flashing light signals, Standard No. 8 (G.O. No. 75-B), modified to provide for installation of the signal on a cantilever arm, in place of one wigwag and Standard No. 1 crossing sign.

Within thirty days thereafter applicant shall notify the Commission of the completion of the installations herein authorized. This authorization shall become void if not exercised within one year, unless time be extended.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 21<sup>st</sup> day of January, 1941.
