Decision No.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of SAN FRANCISCO AND NAPA VALLEY RAILROAD for an order authorizing the abandonment and dismantlement of an additional section of its line of railroad as described and identified in this supplementary application.

Application No. 21745

ORIGINAL

BY THE COMMISSION:

SECOND SUPPLEMENTAL ORDER

San Francisco and Napa Valley Railroad has filed a supplemental application in the above entitled matter requesting authority to abandon an additional section of its line of railroad in Napa County. The section which it proposes to abandon consists of 3,967 feet of main line track extending from the existing northerly end of applicant's line in the City of Napa southerly to the vicinity of the crossing with Southern Pacific Company's Napa Valley branch line near Napa Junction. The only use which has been made of this trackage during the past few years has been for the movement of motive power to and from applicant's shop in Napa. Arrangements have now been made to house and maintain this equipment at Napa Junction and the trackage is no longer necessary. No public service is rendered on this section of the line and no tariffs are in effect pertaining to said line.

It appears that this is not a matter in which a public hearing is necessary and that the application should be granted, therefore

IT IS HEREBY ORDERED that San Francisco and Napa Valley Railroad is hereby authorized to abandon and remove that section of its main line extending from a point on Soscol Avenue at the intersection of Sixth Street in the City of Napa to a point 890 feet

northerly from the center line of Southern Pacific Company's branch near Napa Junction.

Applicant shall within thirty (30) days thereafter notify this Commission in writing of the abandonment of the facilities authorized herein and of its compliance with the conditions hereof. The authorization herein granted shall lapse and become void if not exercised within one (1) year from the date hereof unless further time is granted by subsequent order.

This order is effective on the date hereof.

Dated at San Francisco, California, this As day of

February, 1941.
