In the Matter of the Application of)
 PACIFIC ELECTRIC RAILWAY COMPANY for)
 exemption from General Order No. 75-B,) Application No. 23914.
 Section VI, subdivision (d), as to)
 wigwags at Glenhurst Avenue and Eden-)
 hurst Avenue on its Glendale Line.)

BY THE COMMISSION:

ORIGINALORDER

It appears from the above application that, due to a plan of the City of Los Angeles to coordinate certain wigwags and traffic signals at the intersections of Glenhurst Avenue (Crossing No. 6G-5.91) and Edenhurst Avenue (Crossing No. 6G-6.07) with applicant's Glendale Line, strict compliance with Section VI(d) of General Order No. 75-B would result in conflicting indications.

Good Cause Appearing, Pacific Electric Railway Company is exempted from compliance with Section VI(d) of General Order No. 75-B at these locations, provided, however, that during periods in which traffic signals are not in operation the requirements of said section shall be adhered to.

Within thirty days after completion of the signal installation as proposed, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require. This order shall be effective immediately.

Dated at San Francisco, California, March 25, 1941.
