BY THE COMMISSION:

O P I N I O N

By the above-entitled application and the amendment thereto United Motor Transport Lines, Inc. seeks permission to sell and Valley Motor Lines, Inc. requests authority to purchase the highway common carrier certificates of United Motor Transport Lines, together with the motor vehicle equipment, tools, fixtures and furniture used in connection with the operations performed pursuant to such certificates.

United Motor Transport Lines was granted the right, by Decision No. 20834 in Application No. 15341 to operate between Sacramento, Auburn and intermediate points and between Sacramento and Wheatland and intermediate points. By Decision No. 30225 in Application No. 21487 authority was granted to operate between Sacramento and Chico, on the one hand, and Susanville and intermediate points north of Chico, on the other hand.

Valley Motor Lines now conducts extensive highway common carrier operations in this state pursuant to authority granted by this Commission. Valley Motor Lines owns all of the capital common stock (1008 shares) issued by United Motor Transport Lines.

Valley Motor Lines proposes to surrender 731 shares of such stock to United Motor Transport Lines for cancellation as consideration for the certificates and property to be transferred.
