Application No. 21845

BY THE COMMISSION:

THIRD SUPPLEMENTAL OPINION AND ORDER

By Decision No. 30776 of April 11, 1938, as amended, in this proceeding, South End Warehouse Company, a corporation operating public warehouses in the City and County of San Francisco for the storage of general merchandise, was authorized to suspend operations at Vallejo Warehouse No. 2, located at 734-750 Battery Street, and Vallejo Warehouse No. 3, located at 119 Broadway. This authority expired April 11, 1941. By supplemental application filed April 29, 1941, and amended May 21, 1941, authority is sought to suspend these operations until April 11, 1942. It is alleged that through inadvertence extension of the authority previously granted was not sought prior to its expiration, that business conditions do not warrant the operation of the floor space formerly occupied at the above described locations; that applicant's storage facilities at other locations adequately accommodate its patrons; but that an anticipated increase in storage demands may well require the operation of additional space.

It appears that this is a matter in which a public hearing is not necessary and that the proposed suspension of operations is justified. Therefore, good cause appearing,

IT IS HEREBY ORDERED that South End Warehouse Company be and it is hereby authorized to suspend warehouse operations as a public utility at Vallejo Warehouse No. 2, located at 734-750 Battery Street, and Vallejo Warehouse No. 3, located at 119 Broadway, both warehouses in the City and County of San Francisco, provided California Warehouse Tariff Bureau Warehouse Tariffs C.R.C. Nos. 83 and 98 of L.A. Bailey, Agent, are promptly supplemented on not less than two (2) days' notice to the Commission and to the public to show that South End Warehouse Company's service has been suspended as authorized herein.

The authority herein granted shall expire April 11, 1942, unless sooner changed, canceled or extended by appropriate order of the Commission.

This order shall become effective twenty (20) days from the date hereof.
