In this application Southern Pacific Company seeks authority to curtail or eliminate certain crossing protection on the lines over which Interurban Electric Railway Company operates in Oakland, Berkeley, Emeryville, and Alameda. By prior decisions⁽¹⁾ authority was granted to modify protection in Oakland and Alameda.

Applicant requests that a determination be made with respect to: (1) abandonment of No. 3 wigwag signals at Woolsey Street (Crossing No. K-8.65); and (2), replacement of existing No. 2 crossing signs with special crossing signs at all crossings on the Shattuck Avenue Line in the City of Berkeley.

(1) By Decision 33922 authority was granted to modify protection in Alameda, and by Decisions 34053 and 34172 protection was modified in the City of Oakland.

Applicant shall notify the Commission, in writing, within thirty (30) days thereafter, of the completion of the changes in crossing protection as authorized herein.

The effective date of this Order shall be the date hereof.
