Act.)

BY THE COMMISSION:

FIFTH SUPPLEMENTAL OPINION AND ORDER

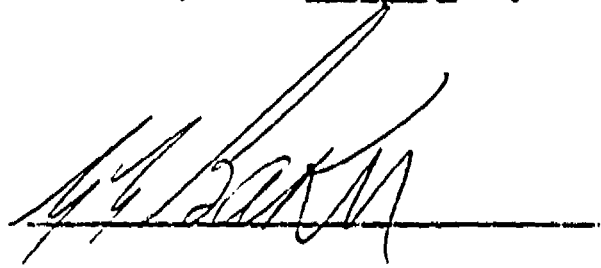

By Decision No. 30767 of April 11, 1938, as amended, in the above entitled application, J. P. Spaenhower, a highway contract carrier, was authorized to transport property from Stockton and Tracy to specified destinations in central California for Western States Grocery Company and Safeway Stores, Inc., at rates less than the established minimum rates. This authority will expire August 7, 1941. By supplemental application filed July 17, 1941, a one-year extension of the authority is sought. It is alleged that operating conditions have not changed materially since the authority in question was granted, that the need for relief is as acute now as at the time of the granting of that authority, and that no new conditions have arisen which make the sought extension of authority unnecessary.

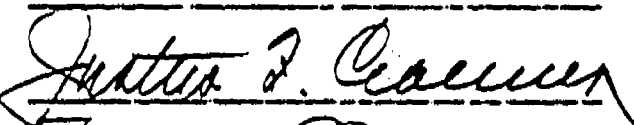

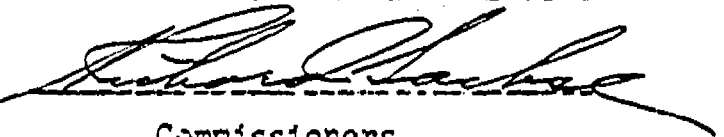

It appears that this is a matter in which a public hearing is not necessary and that the supplemental application should be granted. Therefore, good cause appearing,

IT IS HEREBY ORDERED that the expiration date of the authority granted J. P. Spaenhower, by Decision No. 30767 of April 11, 1938, as amended, in the above entitled application, be and it is hereby extended to August 7, 1942, unless sooner canceled, changed or further extended by appropriate order of the Commission.

This order shall become effective August 7, 1941.

Dated at San Francisco, California, this 29th day of
July, 1941.
