

Decision No. 33512

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of PACIFIC MOTOR TRUCKING COMPANY to acquire, and LETHA B. SHAW, as Trustee, doing business under the firm name of American Stage Line, to sell, those certain operating or franchise rights for the transportation of passengers and property between Ferndale and Fernbridge, California, together with certain equipment pertaining thereto.

Application No.  
No. 23795

**ORIGINAL**

BY THE COMMISSION:

O P I N I O N

By the above-entitled joint application, as amended, Clara F. Brice <sup>(1)</sup> requests authority to sell and transfer an operative right and equipment for the transportation of passengers and property between Ferndale and Fernbridge to Pacific Motor Trucking Company.

Applicant Brice acquired the right under the authority of the Commission's Decision No. 33981 (Application No. 24004.) Under the terms of the agreement of sale and transfer the consideration is shown to be two thousand seven hundred dollars.

An affidavit filed by applicant Brice shows that continuous service during the last two years has been provided between the points involved under the right proposed to be sold.

After due consideration the Commission is of the opinion that a public hearing in this matter is unnecessary and that public convenience and necessity require the granting of the application.

---

(1) The original application was amended by requesting that Clara F. Brice be substituted for Letha B. Shaw whom Mrs. Brice had constituted and appointed as her trustee with power of attorney to transfer the operative right here involved.

O R D E R

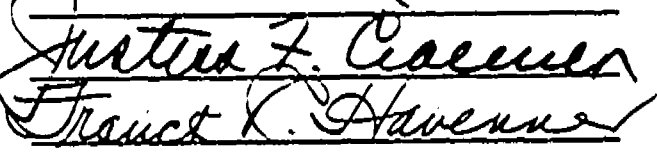

After due consideration,

IT IS ORDERED that Clara F. Brice is hereby authorized to transfer to Pacific Motor Trucking Company the operative right and equipment referred to in the foregoing opinion, and Pacific Motor Trucking Company is hereby authorized to purchase and acquire said right and equipment and hereafter to operate thereunder.
