Application No. 24429

O R D E R

The Western Pacific Railroad Company is authorized to relocate an interchange track at grade across Adeline Street in Oakland, Alameda County, at the location described in the application, to be identified as a portion of Crossing No. D-5.9. Applicant shall bear entire construction and maintenance expense. Construction shall be equal or superior to Standard No. 2 of G.O. No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with roadway, and with grades of approach not exceeding one per cent. No change in protection is required at this time.

Within thirty days after completion pursuant to this order applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require. This order shall be effective immediately.

Dated, San Francisco, California, September 10th 1941.
