across Kerr Street, in the City of)
Los Angeles, County of Los Angeles,)
State of California.)

Application No. 24564

ORIGINAL

BY THE COMMISSION:

O R D E R

Southern Pacific Company is authorized to construct a switching lead track across Kerr Street in Los Angeles at the location described in the application. Applicant shall bear the entire construction and maintenance expense.

Kerr Street is not now actually constructed and open to travel at the point of crossing, and this order is not an authorization for the construction or opening of said Kerr Street to public use across said track. Said track shall be so constructed that grades of approach not exceeding 3 per cent will be feasible in the event that the construction or opening of Kerr Street across said track shall hereafter be authorized, and so that said grade crossing may be made safe for the passage thereover of vehicles and other road traffic.

Within thirty (30) days after completion pursuant to this order applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require.

This order shall be effective immediately.

Dated at San Francisco, California, this 2nd day of December, 1941.
