T. J. Reynolds and L. T. Rice, by
L. T. Rice, for Applicant.

C. L. McGaughey, City Attorney, for
City of Maywood.

BY THE COMMISSION:

O P I N I O N

Southern California Gas Company seeks authority to exercise a franchise granted by the City of Maywood permitting the maintenance of gas facilities upon the streets of said City.

As the franchise referred to is one granted by the City in accordance with the Franchise Act of 1937, it is provided therein that it shall be of indeterminate duration. A fee is payable annually to the City equivalent to 2 per cent of the gross receipts arising from the use of the franchise, but not less than 1 per cent of all sales of gas by applicant within the City. The declared cost to the applicant in obtaining the franchise is \$110.65.

As this utility has for many years served gas within and about the City of Maywood, Los Angeles County, without competition, it is evident that its request for a certificate to exercise a franchise should be granted.

O R D E R

A public hearing having been held upon the application

of Southern California Gas Company, the matter considered, and it appearing to the Commission and it being found as a fact that public convenience and necessity so require, therefore,

IT IS ORDERED that Southern California Gas Company be and hereby is granted a certificate to exercise the rights and privileges granted by the City of Maywood by Ordinance No. 277, adopted April 29, 1941, subject to the condition, however, that no claim of value for such franchise or the authority herein granted in excess of the actual cost thereof shall ever be made by grantee, its successors, or assigns, before this Commission or before any court or other public body.

The effective date of this Order shall be the twentieth day from and after the date hereof.

Dated, San Francisco, California, this 9th day of December, 1941.
