BY THE COMMISSION:

O P I N I O N

This is an application for a license to engage in  
business as a motor carrier transportation agent. Public hearing  
was held at Los Angeles before Examiner Loughran on December 16,  
1941.

Applicant intends to do business as such agent at  
240 East Seventh Street, Los Angeles, California. He proposes  
to represent casual automobile operators, consisting of persons  
who are making an automobile trip for their own private business  
or pleasure purposes and who desire to defray the cost of their  
trip by transporting a few fare-paying passengers. Such persons  
may register with applicant upon payment of a fee of \$1.00 and

he will procure for them the passengers they desire to transport. Applicant will charge the passengers a fee for his service in arranging for their transportation in cars registered with him. The service will be entirely limited to interstate transportation and applicant has requested that his license be likewise limited.

Applicant has been engaged in the bus transportation business for the past sixteen years, during which period he has held executive positions with several interstate passenger carriers. He appears to be thoroughly familiar with the details of this kind of business and with the obligations which he will be required to assume as a motor carrier transportation agent. Applicant has never been convicted of any felony or misdemeanor and the record shows him to be a law abiding citizen.

After a full consideration of all the facts of record in this matter the Commission is of the opinion that this applicant should be licensed to operate as a motor carrier transportation agent, and it will be ordered that such license be issued to him.

A motor carrier transportation agent's license may be revoked by the Commission when it appears that the holder has engaged in false advertising or false representation or has sold, offered for sale, or negotiated for sale, transportation by any carrier operating without the proper authority or in violation of State or Federal laws or the General Orders, Rules and Regulations of the Railroad Commission. It will be the

(1) Section 10, Motor Carrier Transportation Agent Act.

policy of the Commission to revoke licenses with all possible dispatch when it appears that the holder is engaged in unlawful or improper practices.

Applicant is cautioned to inform prospective passengers that he exercises no control over the operation of the vehicle in which they are to ride but merely acts as an intermediary to place them in contact with the owner, and to refrain from false representations of any character whatsoever, either personally or by advertisements, concerning the financial responsibility of either the licensee or the car operator.

A motor carrier transportation agent's license is personal to the holder. He is not permitted to transfer or assign such license, or to delegate his authority to employees; to do so would constitute a violation of the Motor Carrier Transportation Agent Act and subject the license to revocation. (2)

Applicant's attention is directed to the provisions of Section 11 of the Act, and he is admonished scrupulously to comply therewith in every respect by making and keeping the records there specified.
