Decision No. 35159

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of)
PACIFIC GREYHOUND LINES, a)
corporation, to define its routes) Application No. 24618
within the city of Salinas.)

BY THE COMMISSION:

O P I N I O N

Pacific Greyhound Lines, as part of its state-wide system, operates through Salinas over U. S. Highway No. 101, which is sometimes referred to as the Coast Route. At Salinas three branch lines connect with the Coast Route. These three branch line operations extend from Salinas to Watsonville, Monterey and Fort Ord, respectively.

In its operations within the city of Salinas applicant has established service over certain routes so as to reach its depot at Gabilan and Salinas Streets, and the Southern Pacific depot near the intersection of Main and Market Streets. In this application the Commission is requested to make its order prescribing the routes within that city, subject to the conditions, that in the conduct of its operations within that city, applicant may use any combination of routes so specified and that its motor vehicles may be turned at the termini or stations either in adjacent street intersections or by operating around a block contiguous to any such intersection in either direction as required by local traffic regulations.

As evidenced by a resolution attached to the application the city council of Salinas, after full consideration, has

approved the proposed routing. This does not appear to be a matter in which a public hearing is necessary and the request will be granted.

O R D E R

IT IS ORDERED that Pacific Greyhound Lines, in its operation of a passenger stage service over routes originating or terminating at, or passing through the city of Salinas pursuant to certificates of public convenience and necessity heretofore granted by Decision No. 25147, (Application No. 28303), Decision No. 23244, (paragraphs 64 and 65), (Application No. 16989) and Decision No. 32725, (Application No. 23046) shall comply with and observe the following service regulation:

Subject to the authority of this Commission to change or modify them at any time by further order, operations within the city of Salinas shall be conducted over and along the following routes:

1. Route between Salinas and Chittenden Road Junction:

Southbound - Entering the City on U.S. Highway 101 (State Route 1), to north Main Street, thence via north Main Street to Monterey Street, thence via Monterey Street to Gabilan Street, thence via Gabilan Street to Salinas Street, to rear entrance of Company's depot.
