Application No. 24184

BY THE COMMISSION:

ORDER OF DISMISSAL

In the above entitled proceeding applicants seek authority to observe rates for the transportation of mixed shipments of bulk and packaged petroleum and petroleum products which are less than the rates established as minima for that transportation by Decisions Nos. 31606 and 32608, as amended, in Case No. 4246. The matter has been held in abeyance at applicants' request for more than eight months. During that time applicants were repeatedly asked to inform the Commission when they would be ready to proceed. Finally, on February 19, 1942, they were advised that unless the Commission were informed within a reasonable time of applicants' readiness to proceed to hearing, consideration would be given to dismissing the application for want of prosecution. No reply having been received, and good cause appearing,

IT IS HEREBY ORDERED that the above entitled application be and it is hereby dismissed.

Dated at San Francisco, California, this 31<sup>st</sup> day of March, 1942.
