

Decision No. 35356.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of Pacific
Electric Railway Company, a corporation, for
authority to construct, maintain and operate
a spur track at grade across Daisy Avenue
and Seventeenth Street in the City of Long
Beach on its Daisy Avenue Line.

Application
No. 24918.

ORIGINAL

BY THE COMMISSION:

O R D E R

Pacific Electric Railway Company is authorized to construct a spur track at grade across Daisy Avenue and 17th Street at the location described in the application, to be identified as a portion of Crossing No. 6LA-18.61. Applicant shall bear entire construction and maintenance expense. Construction shall be equal or superior to Standard No. 2 of G.O. 72, without superelevation, and of a width to conform to the portions of the streets now graded, with tops of rails flush with roadways and with grades of approach not exceeding 3%. Protection shall be by existing protective devices.

Within thirty days after completion, pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require. This order shall be effective immediately.
