 Joaquin, State of California.)

Application
 No. 24971

BY THE COMMISSION:

O R D E R

The Western Pacific Railroad Company is authorized to construct two spur tracks at grade across Lindsay Street in Stockton, San Joaquin County, at the locations described in the application, to be identified as Crossing No. 4-101.1-C. Applicant shall bear entire construction and maintenance expense. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with roadway, and with grades of approach not exceeding four per cent. Protection shall be by one Standard No. 1 crossing sign (G. O. No. 75-B).

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require. This order shall be effective immediately.

Dated at San Francisco, California, this 12th day of May, 1942.
