BY THE COMMISSION:

OPINION AND ORDER

By this application J. C. Loomis, a public utility warehouseman, seeks authority to lease to General Mills, Inc., certain public utility warehouse property located in Hemet.¹ According to the application the transfer will not inconvenience present storers. No change in existing tariff rates is proposed.

It appears that this is a matter in which a public hearing is not necessary and that the application should be granted. Therefore, good cause appearing,

IT IS HEREBY ORDERED that J. C. Loomis be and he is hereby authorized to lease the public utility property involved herein to General Mills, Inc., in accordance with the terms of the proposed lease set forth in Exhibit "A" to the application.

IT IS HEREBY FURTHER ORDERED that immediately upon the leasing of the public utility property involved herein, J. C. Loomis and General Mills, Inc. shall, on not less than five (5) days'

¹ A description of the property is contained in the proposed lease, a copy of which is attached to the application as Exhibit "A".

notice to the Commission and to the public, supplement or reissue the tariffs on file with the Commission naming rates, rules and regulations covering warehouse operations by J. C. Loomis to show that the former has withdrawn or cancelled and that the latter has concurrently adopted or established as its own said rates, rules and regulations in so far as they are applicable to warehouse operations conducted at the warehouse involved herein; and that the tariff filings made pursuant to this order shall, in other respects, comply with the regulations governing the construction and filing of warehouse tariffs set forth in the Commission's General Order No. 61.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 29th day of September, 1942.
